

AH/SP

June 2011

Annwyl Parent/Guardian

This year as part of Bassaleg's community days the Design and Technology department is Planning to create an outdoor studio and exhibition space, where students can work on projects and develop their learning. We plan to involve students in this project by engaging them in renovating an area of unused ground adjacent to the technology department.

We aim to minimise the impact upon the environment by recycling existing resources from the school and local community.

We would greatly appreciate any contributions to our project by donating any of the items on the attached list which you may have in your garden or business but no longer use.

Could you please complete the slip below indicating what you would like to donate to enable us to organise collection with you.

If you have other related items that you want to dispose of and you think we may find useful simply let us know by writing on the slip. Please return the slip to Mr S Parker, D&T department.

Thank you for helping us with this exciting project that will enhance the teaching and learning experience of all pupils in our school.

BASSALEG SCHOOL – COMMUNITY DAYS

Name: Parent/Guardian: Pupil Name: Form:

We are trying to regenerate an area of the school which would provide outdoor learning space for Design and Technology, Science and Geography – we are aiming to begin our regeneration project in July during the schools Community Day programme and have a year group of students supporting the Design and Technology department in this exciting venture.

Any support, resources or equipment you can offer will be greatly appreciated and put to very good use.

This is a list of our basic needs; please contact the Design and Technology department if you have large items that we can collect.

Thank you in anticipation of your support

Name	Number of
Bench	4
Picnic Table to sit four	5
Small Plant Pots	60
Large Plant Pots	5
Tiles (bathroom tiles)	60
Lawn – grass seed	
Fencing (20 x 1.5 m)	1
